June, 2013

Dear Child Evangelism Fellowship Supporter,

I want to introduce you to "Building the Ministry from the Ground Up" phase two. Phase one was the basement insulation completed last year through your generous donations. Psalm 127:1 says, "Unless the Lord builds the house, its builders labor in vain." The Susquehanna County Child Evangelism Fellowship Committee has prayerfully and unanimously decided to update the windows in the Child Evangelism Fellowship building.

Child Evangelism Fellowship acquired the building, through the grace of God, for the ministry in 1971 and wants to be good stewards. The old windows are only single pane and drafty. We feel we could save on our heating costs with new energy efficient windows and a door between the first and second floors.

The replacement windows (eleven of them) for the first floor will cost \$5892 installed. There are also as many windows on the second floor that need replacing. "God is the builder of everything;" Hebrews 3:4b. He works through the generosity of people and churches like you. We need your help. On behalf of the committee, I am appealing for donations to fix the building from the ground up.

Thank you for your prayers and financial support.

A handwritten signature in cursive script that reads 'Edmund W. Burdick'.

Edmund W. Burdick,
Committee Chairman
